You've asked - and we've listened.

JB Systems is pleased to announce our new support and maintenance package - Maintenance "+" (Plus).

Through attentive listening along with close relationships with our customers, we've come to realize most people want more out of their website - all without getting charged for everytime a word changes.

maintenance+ Program Includes:

- **Unlimited** changes to all text on your website
- **Unlimited** changes of photos and graphical elements on your website
- **Unlimited** changes to links (both to pages in your site and to external sites)
- **Unlimited** changes to documents (PDF documents, word documents, spreadsheets)
- **(1) Website Review - $75.00 Value**

Website Reviews are a new initiative at JB Systems. Prior to the review, our entire staff meets to discuss the overall performance of your website and how it could be improved. Recommendation worksheets will be completed prior to the review and will include recommendations from graphic design, search engine optimization and/or marketing, and programming. We will discuss the enhancements with you at the meeting as well as cover your website statistics.

Cost: $80.00 / month**

Sites with 25+ pages or E-Commerce - $150.00 / month**

*Program excludes new pages, new design elements, and any database programming

**Minimum 12 month contract required

We don't just build websites. We create solutions.
